

NEWS & NOTES

Emanon has upgraded a portion of their cart fleet to include (25) 2015 Club Cars. We will continue to monitor our fleet and may make additional adjustments as needed.

Emanon has added a Call Box near the tee on #17 for the purpose of allowing players to order food in advance so it is ready upon completion of their round.

In addition at the time of adding this system, we expanded WIFI signal to emanate from the Hot Dog Stand. This signal is accessible by all 4G cell phones and allows for WIFI calling for a varied range depending on phone and weather conditions. This adds more communication capability for our members and guests for convenience as well as serving as an enhancement for safety in some cases.

One of our fellow members has been kind enough to outfit Emanon with an innovative HANDS-FREE mechanism for ejecting a player's ball from the cup after being holed. Once a ball has been holed, the player gently lifts the custom bent rod attached to the flagstick with their putter (or wedge if they happen to be a great chipper) and their ball will be extracted from the hole and then deposited onto the green. Emanon CC wishes to thank John Mulhern for his contribution to helping us navigate this Covid environment with his very kind donation. Thank you again John!

Superintendent Update

What a strange season it's been so far. Without golfers early this spring, the course was eerie to say the least. It did allow our staff to tackle some projects that we otherwise might not have started yet. We continue to add new forward tees. We also reshaped/ expanded some green surrounds. As conditions/ regulations get back to normal with the Covid 19 situation, we will be getting the rest of the course supplies out (bunker rakes, divot mix containers etc.). Until then please help by replacing divots. I hope everyone is finding some sanity during this crazy time by enjoying the golf course. Keep safe.

June 2020 Newsletter

Attention Emanon Clubhouse Members and Guests!!!

We have the BEST news to share! Outdoor and indoor dining will begin on June 12th at 50% capacity. Our hours will be expanding too! We will be open Tuesday and Thursday from 12pm-8pm and Wednesday, Friday, Saturday and Sunday from 11am to 8pm. Clubhouse will be closed on Mondays.

In addition to offering a limited menu, we will also be offering refreshing cocktails. All of our items will still be available for takeout too! We look forward to expanding our menu in the near future.

Of course we have the below guidelines that we will need your help following:

- All guests are required to wear masks while entering, exiting or when traveling to the restroom. Face coverings may be removed while seated.
- Observe social distancing by staying 6 feet apart from groups outside your own. (Our tables have been spaced 6 feet apart also.)
- We are allowing a maximum of 4 guests at one table.
- All guests must remain seated at their designated tables. No standing, no loitering, no visiting other tables. No one can stand or sit at the bar at this time. Your payment will be taken while you remain at your table.
- Since the porch will be seated with tables, if you are leaving the building to smoke a cigarette, then you will have to do that through the front entrance and use the parking lot instead of the porch.

Please be patient with our new limited seating as our team navigates through this 50% capacity rule.

We are SO EXCITED to be back inside and even more EXCITED TO HAVE YOU BACK INSIDE!

Above are the 2020 Emanon Tournaments that are scheduled to be held this year. A few of our annual Emanon Tournaments have unfortunately been suspended just for this year due to the restrictive season we are experiencing. (Suspended only for the 2020 golf season are: Opening Day, Guy Gal, President's Day & Turkey Shoot). We fully intend to go back to our normal annual tournament schedule and again will add these events back in for the 2021 golf season. Outside tournaments are also being scheduled at this time and some are in the process of rescheduling their dates. Those will be posted on the website as well as the Emanon tournaments in the near future. In addition, due to restrictions placed on operations by the Governor, we expect to have some modifications/changes related to how we run the tournaments. We will announce the details for each tournament in advance of each event. **We ask that members please support your club and participate in as many Emanon sponsored events as you can. Thank you !!**
