## Website

The Emanon Country Club website [www.emanoncc.com](http://www.emanoncc.com) is continually being updated to give our members all the information they need regarding membership, tournament dates and results, clubhouse news and more. We encourage all members to frequent our site so we can keep you informed.

Did you  us yet on the Emanon CC Facebook page?

## Did you know?

Emanon CC has reciprocal agreements with Sand Springs, Edge-wood, Wilkes-Barre Municipal and Stonehedge golf courses. Any members interested in obtaining a tee time at one of the courses mentioned above, please contact our Pro Shop to make arrangements for tee times.

## Superintendent Update

As we deal with the heat of summer, the staff continues working hard to make improvements around the course. As temperatures continue to rise our main focus is turf health. Hopefully Mother Nature will send us some timely rain to help us get through. This next quarter we are looking at working on the new tee for #9 as well as fixing up some more flowerbeds. Most of the areas we seeded this spring are filled in and thickening up nicely. I hope everyone is out enjoying the course.

I'll see you on the course!  
Jason Brown G.C.S.

Aeration scheduled for Monday, August 21 and Tuesday, August 22<sup>nd</sup> (weather permitting).
