March 2018 Newsletter

Website

The Emanon Country Club website www.emanoncc.com is continually being updated to give our members all the information they need regarding membership, tournament dates and results, clubhouse news and more. We encourage all members to frequent our site so we can keep you informed.

Dues notices were mailed out during the first week in January and are now fast approaching the due date of March 31, 2018. If payment is not received by then appropriate green fees and cart fees will be expected to be paid starting April 1.

Superintendent Update

I know everyone is anxious to get out on the course. A few late snow storms delayed our spring kick off. Despite the weather not cooperating, the course looks good coming out of winter. You will notice a lot of trees were removed around the course this winter. A majority of these were taken from the back nine to allow more sun and air flow. This will be an ongoing project moving forward. We also installed a new access road to the new #9 green complex. This allows for a level, easy access to the green. Another area we've been working on over the winter is the future driving range. We are continuing to clear the brush/ trees for this future practice facility. We too are anxious for the spring start up, we'll see you on the course!
Jason Brown G.C.S.

P.S. Our scheduled spring aerification date is April 23rd and 24th
