

Reminder to all members concerning dues payment. Your 2021 Dues statement was mailed to you the first week of January. It reflects no increase from the 2020 rates as long as your payment is received by March 31, 2021. Any payments made after April 1st. will be subject to any additional increases to our dues structure. In keeping with our policy of last year only fully paid members will be allowed to play golf starting April 1st. The list of fully paid members will be posted in the pro shop on April 1st. and as you report to the first tee to play your name will be checked off as playing that day. Any members not receiving their dues statement should contact Jerry Zezza immediately. No dues payments will be accepted in the pro shop as all payments must be sent to Jerry Zezza.

Tell your friends about us!

If any member knows of a friend that would like to join Emanon CC please contact Len Coleman at (570) 479-4955 immediately to take advantage of current rates and to use the facility upon opening.

Superintendent Update

Snow is melting, temperatures are rising, and Spring is here! I'm sure everyone is anxious to get out and enjoy the course. The staff was busy over the winter removing dead trees and fixing up the equipment. If you're out getting your carts ready for the season, please remember all the snow that is recently melting. There will be some wet areas, especially on the back 9.

Along with numerous tees we renovated over the winter, we will continue to coordinate/help Walt Kuharchik with the development of the driving range. **Please do not hit any balls on to the new range. It's important to let the turf get established.** Thank you Walt for all your effort and generosity!

Let's raise a glass and put 2020 behind us, here's to a great 2021!

Driving Range update

Work on the driving range continues and the grass which was planted last year has taken and appears to have covered nicely. We ask that all members please refrain from hitting any balls in the vicinity of the driving range until further notice. There is still much work to be done, and any activity there will only inhibit the progress. Thanks to Wally Kurhachik's extreme generosity, we are well on our way to having one of the best practice ranges in our area. We will keep our membership posted as progress continues.

Cart Barns Getting a Facelift- The (3) Cart Barns near the driving range are in the process of having some renovations. All the overhead garage doors are being replaced and building trim will also be addressed.

Many financial improvements were made to the club as well as to the golf course during the 2020 season. We appreciate the efforts of all the grounds crew, pro shop staff, clubhouse workers and the members for making 2020 a successful and more importantly a safe season. We all know it was a challenging year for everyone. We look forward to a more NORMAL 2021 golfing season with your continued cooperation. We appreciate your contributions, participation and support.

All Emanon members **must** report to the pro shop before teeing off every time you play a round of golf in 2021. A list of all fully paid 2021 members is kept in the pro shop and your name and all other members playing in your group will be checked off. In keeping with CDC guidelines, Emanon must document all players on the course in case of contact tracing. We appreciate your support and due diligence in keeping to this successful policy that was implemented in 2020. This led to very few COVID related incidents at our golf club last year. It is **mandatory** that each and every time you play in 2021 your group must be registered in the pro shop.
