### **Emanon Practice Area Update**

The entire Board of Directors and the general golfing membership of Emanon Golf Club would like to express our continued gratitude to Board member Wally Kuharchik for his efforts in clearing the practice area. Driving range is a continuing process again at no cost to the membership and we are still trying to have the net put up again for the start of the 2020 golf season.

### Superintendent Update

Although we had more rain this spring than last year, the golf course has steadily improved all season long. The drainage installed last winter has kept the course dry, I can't imagine where we would be right now without it!

The new bent grass varieties we over-seeded last fall continue to spread and fill in on the greens, tee's and fairways. The rough throughout the course is gaining density due to the bluegrass over-seeding also. We are continuing both programs by aerating/ over-seeding the whole course again this fall.

We look forward to continuing our tree removal program over the winter. This will continue to allow more sun/ air movement, along with making the course more playable.

We have a lot of good golfing weather left, get out and enjoy your course!

## Len Coleman Completes Emanon Grand Slam- Wins 2019 Super Senior's Club Championship/ Joanie McGuire Repeats and Captures 2019 Women's Club Championship Title

**Ladies First....**The Women's Club Championship was won by Joanie McGuire with a score of 89. Joanie has won this tournament before and in recent years has proven to be the player to beat in this event. Second Place honors went to Mary Reeves with a score of 97. Mary has played this event a few times and has been a top player in this tournament before as well. Heather Wharton finished with an even score of 100, and played well enough to put herself into Third Place at the conclusion of Sunday's contest. In the Fourth Place spot was Kathy Schwartztrauber who with a score of 103 narrowly edged out Wendy Mangan. Additional players that competed in this past weekends event were Debbie Dructor, Alice Gunton, and Ellie Lahey. We want to recognize and commend all of the ladies for their participation in this year's Women's Club Championship. It says a lot about these ladies who put it out there and were not afraid to put it on the line and compete head to head with one another. The Golf Committee would like to thank you for your participation! In addition, we wish to congratulate Women's Team Captain Joanie McGuire, Mary Reeves, Heather Wharton and Kathy Schwartztrauber for qualifying to represent Emanon Country Club in the 2019 Women's Coal Scuttle Tournament, to be held on Tuesday, September 10th at Huntsville Golf Club.
